Re: Lindsay Light II OU 13, New Water Park, 455 N. Park Site Environmental Covenant

Dear Ms. Geving:

As we discussed via electronic mail, U.S. EPA and IEPA recognize that Paragraph 18 of the Environmental Covenant recorded on December 23, 2013 as document #1335733097 with the Cook County Recorder of Deeds, for the Lindsay Light II OU 13, New Water Park, 455 N. Park Site requires the Owner to submit an annual notice confirming compliance to U.S. EPA and IEPA on two different dates. U.S. EPA and IEPA have agreed that this compliance notice need be submitted on only one date on an annual basis. Thus, the Owner must submit its notice confirming compliance to U.S. EPA and IEPA on the same date each year. We have agreed that the annual reporting date is the recording date of the Environmental Covenant, December 23, 2013. We expect that the Owner will submit, via electronic mail, its annual notice of compliance to both U.S. EPA and IEPA on December 23 of each year. Additionally, the Owner shall include in the annual notice of compliance, a request for confirmation of submission by IEPA and U.S. EPA via reply electronic mail. Both IEPA and U.S. EPA have agreed to provide such electronic confirmation of receipt.

If you have any questions, please contact me at (312) 886-7166.

Sincerely,
